

What is Sibya?

Sibya is a web-based notice board system which will now act as our new centralized information hub to get updated on new events and recruitment drives around our campus.

User Features

I. General Features

- Authentication with login/registration
- Notice viewing with search bar and filter functionalities
- Express interests in specific notices
- Feedback system

II. Features for Presidents

- Create/Edit/Delete notices
- Dashboard page for notice monitoring

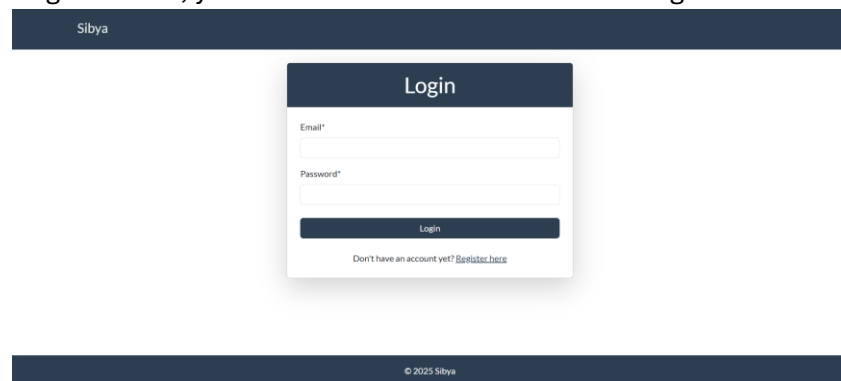

III. Administrator Features

- Assign president roles to certain students
- Organization management
- Notice oversight
- Feedback management

How to Use?

I. User Login/Registration

To get started, you must first have an account to navigate around the website.

The screenshot displays the Sibya website interface. At the top, a dark blue header bar contains the word "Sibya" in white. Below this, a white login form is centered. The form has a dark blue title bar with the word "Login" in white. It includes two input fields: "Email*" and "Password*", each with a small eye icon for toggling visibility. A dark blue "Login" button is positioned below the password field. At the bottom of the form, a link reads "Don't have an account yet? [Register here](#)". The footer of the page is a dark blue bar with the text "© 2025 Sibya" in white.

You can register if you don't have an account yet.

If you want to submit feedback, you can do so by going to the **feedback** form page.

The 'Submit Feedback' form is a simple interface with a dark blue header. It contains two input fields: 'Title*' and 'Body*'. The 'Body*' field is a larger text area. At the bottom left is a 'Back' button with a left arrow, and at the bottom right is a 'Submit Feedback' button with a right arrow.

III. For Organization Presidents/Heads

If you are a president or head of an organization, you have exclusive access to the **notice dashboard** where you can create new notices for events or recruitment drives.

Title	Type	Organization	Schedule	Actions
Code IT: Programming Competition	Event	Information Technology Link	February 05, 2025 10:00 AM	View Edit Delete

In the dashboard, you can also make changes to the information of your added notice or delete them from the board.

IV. For SASO

In the **Administrator's Access**, you can monitor notices created by students and organizations.

The 'Administrator's Access' dashboard has a dark theme. On the left, a sidebar lists 'AUTHENTICATION AND AUTHORIZATION' with sub-items: Groups, SIBA, Feedbacks, Notices, Organizations, and Users. Each item has an 'Add' or 'Change' icon. The main area is titled 'Recent actions' and lists a series of actions performed by users and organizations, including 'Arid Garcia User', 'Engineering Society Organization', 'SAT Recruitment Drive Notice', and 'Code IT: Programming Competition Notice'.

As administrators, you have the permission to delete a notice if it breaches rules set for organizations.
